SHEPHERD'S CROOK

18 Hole Public Golf Course - *"A Return to Golf's Past"*

Return to the roots of golf at Shepherd's Crook, Zion Park District owned and operated. Offering a layout that offers a passage back to golf's heritage.

Designed by Keith Foster and opened in August 1999, Shepherd's Crook has earned rave reviews as a course that is both challenging and exciting to play. Architect Keith Foster has designed some of the most interesting courses built in the last 10 years. Shepherd's Crook is a links-style layout that credits a feeling of playing Ireland's Ballybunion or Waterville Courses.

The design reflects the golden era of golf course architecture of the 1920's and 30's with bentgrass fairways, tees, and greens.

For tee time reservations, call 847-872-2080 or go online at www.shepherdcrook.org.

"Shepherd's Crook is routed with classic and strategic design principles that cut features naturally to the terrain. The vision of Shepherd's Crook returns golfers to the game's past." - Keith Foster, Architect, Shepherd's Crook Golf Course.
